<p>It is an Offence for someone who is prohibited by section 21 to have a firearm or ammunition in his possession at any time. Section 21 applies to anybody who has been sentenced to imprisonment or to youth custody or detention in a young offender's institution for three months or more. The period for which they are prohibited depends on the length of sentence if the sentence was longer than three years, the prohibition is for life. If the sentence was three months or more, but less than three years, the prohibition lasts for five years from the date of their release. It is an offense for a person to let, hire, give or lend a firearm to someone whom he knows or has reasonable ground for believing to be prohibited by section 21.</p> <p>I declare that I am not a prohibited person under section 21 of the firearm act.</p> <p><b>Signature</b>.....</p>
